Are you expecting that the fate and transport meeting will go from 12 on Wednesday to sometime Thursday?

I agree. Let's do this Thursday morning. Everyone should be aware that we have our fate and transport meeting tomorrow beginning at 12:00 so we need to finish up before then.

Thanks, Valerie. I think it is important to postpone it since neither Jim nor Bob can be there. I hope we can do it Thursday.

Chip, Eric -

The LWG Management Team would like to see if we can postpone the Management portion of this meeting until Thursday morning. Both Bob and Jim are not going to be available this afternoon,

unfortunately. We can discuss this later today but I just wanted to give you a head's up.

thanks
valerie
